

ASTM INTERNATIONAL
Helping our world work better

Free time. Fun time. Sports and leisure time!

Standards play their part in making
recreation safer.

On the slopes: ski and
snowboard bindings

In the air: drones, light
sport aircraft, general
aviation aircraft

At the amusement park:
ride design, construction,
operation and maintenance

On the playground:
equipment and
surfacing performance

In the pool: safety
covers, aboveground
portable pools, alarms

Out and about: bicycling,
women's lacrosse helmets, snow
sports, horse sports and more
