

ASTM INTERNATIONAL
Helping our world work better

Let ASTM Compass[®] Be Your Guide

Your Portal for Standards,
Testing, Learning, & More

Get Complete Access to All Content

View ASTM's 12,800+ standards, 1,500+ books, 47,000+ articles and papers, plus content from AASHTO, AATCC, ACI, API, AWS, ISO, and UOF

Navigate in Your Own Language

Search in 14+ languages, including Arabic, Chinese, French, Russian, and Spanish.

Alerts and Updates Keep You Up to Date

Get the most up-to-date materials and stay on top of crucial industry changes with instant alerts.

Advance Your Career with Expert Training

Improve and measure performance with live and eLearning courses for metals, petroleum, building construction, the environment, textiles, plastics, and rubber.

Add Notes, Share with Co-Workers

Enhance communication by adding notes, images, and your own material to create dynamic documents. Share with employees, contractors, and stakeholders.

Easily Identify Changes to Standards

Boost productivity and improve how you use standards with change management tools like color-coded highlighting and bookmarking.

Get the access you need, when you need it. Contact us to request a demo.
