

ASTM INTERNATIONAL **INTEGRATED SERVICES**

MULTIMEDIA SOLUTIONS

Accessible, cost effective media production
resources **tailored to your needs.**

Streamline Training & Increase Resource Efficiency

Improve your organization's technical competency, unify operating procedures, and maintain audit ready status with customized instructional media.

Your Instant Multimedia Production Team

We'll help you identify multimedia plans that align with your organization's goals, alleviating the cost to build and maintain your own media program.

Revolutionize Content Capabilities with CGI

Leverage virtual media to save money, time, and mitigate risk for content that is otherwise too expensive, inaccessible, or hazardous to capture by conventional means.

...or Make your own **CUSTOM MEDIA** Collection

Gain immediate access to ASTM standards videos directly on your own training platform.
